Our premises, services & packages

Dear soon to be weds,

We are delighted that you consider celebrating your big day in our beautiful “Rabenstein Castle” in the heart of Bavaria.

The castle offers a variety of halls in different unique and classy styles which will make your wedding not only memorable but also magical.

In this brochure, you will get a first impression of our premises and facilities as well as information on our rates. We hope that you are captured by the beauty of our castle and that you can feel the love we put in our service.

We know how important the decision on your wedding location is for you and are keen to support you in understanding if our castle is your personal dream destination.

We are looking very forward to meeting you.

Our premises: “Bel Étage”

Baroque-style Salons & terrasse

Enjoy your reception drinks in our noble salons and on our sunny terrasse, where the drinks and food are accompanied by a breathtaking view over the valley.

Renaissance Hall & Salon of Arms

Our impressive and classy Renaissance Hall is full of flair and ambience. This makes it the ideal place for your dinner and party. Right next to it, the Salon of Arms, with old armor and beautiful details, is equally astonishing. Here, your buffet will be presented.

Our premises: Further premises & outdoor

Lounge with an open fireplace

Our cozy lounge has a special place in the heart of many of our guests. Its charm will make you want to spend hours in front of the fire. At your wedding, the lounge could host the reception in case of rain.

Salon of Earls

In the home of our restaurant, you will find the breakfast buffet. If you wish to have a seated cake buffet with coffee and tea, this could happen here as well.

Celtic Village

Located outside, this is the perfect place for your free ceremony. If you arrive a day earlier, we would be happy to serve you and your guests a barbecue in these unique surroundings.

Your wedding ceremony

Free ceremony in the “Celtic Village“

The Celtic Village on our premises is the perfect scenery for your free ceremony. Say yes to each other under our wedding arch and experience your own fairytale moment.

Free ceremony in the “Renaissance Hall“

Being much more than only a bad-weather-alternative, the Renaissance Hall has a lot to offer. Many couples deliberately opt to have their ceremony in this elegant, noble flair.

Church wedding

A marriage service in the castle is another alternative. Our beautiful chapel inside the castle can host up to 65 guests.

Reception

Drinks

Toast to your wedding and kick off your celebrations with a bang. No matter if you choose a classic reception with champagne or if you'd like to incorporate other drinks or even your personal cocktail, we guarantee that you and your guests will have a wonderful time.

Canapés

Once the drinks start flowing, the guests will get hungry. During the reception we serve a selection of classic canapés and of our creative finger food, such as salmon tartar, roast beef or shrimps on a foam of wasabi.

Cake

If you want to incorporate cake in your reception, of course this is possible as well. Your wedding cake could also be included in this.

Entertainment

All our halls and salons, as well as the terrasse are equipped with power outlets. Either via your favorite Spotify party playlist or live music, your guests will be in high spirits.

Dinner

Philosophy

Our chefs combine German cuisine with international influences and give a modern twist to all of their dishes. We are glad to support you in designing your personal dinner. Creative vegetarian and vegan options are, of course, also available.

Seated dinner or buffet

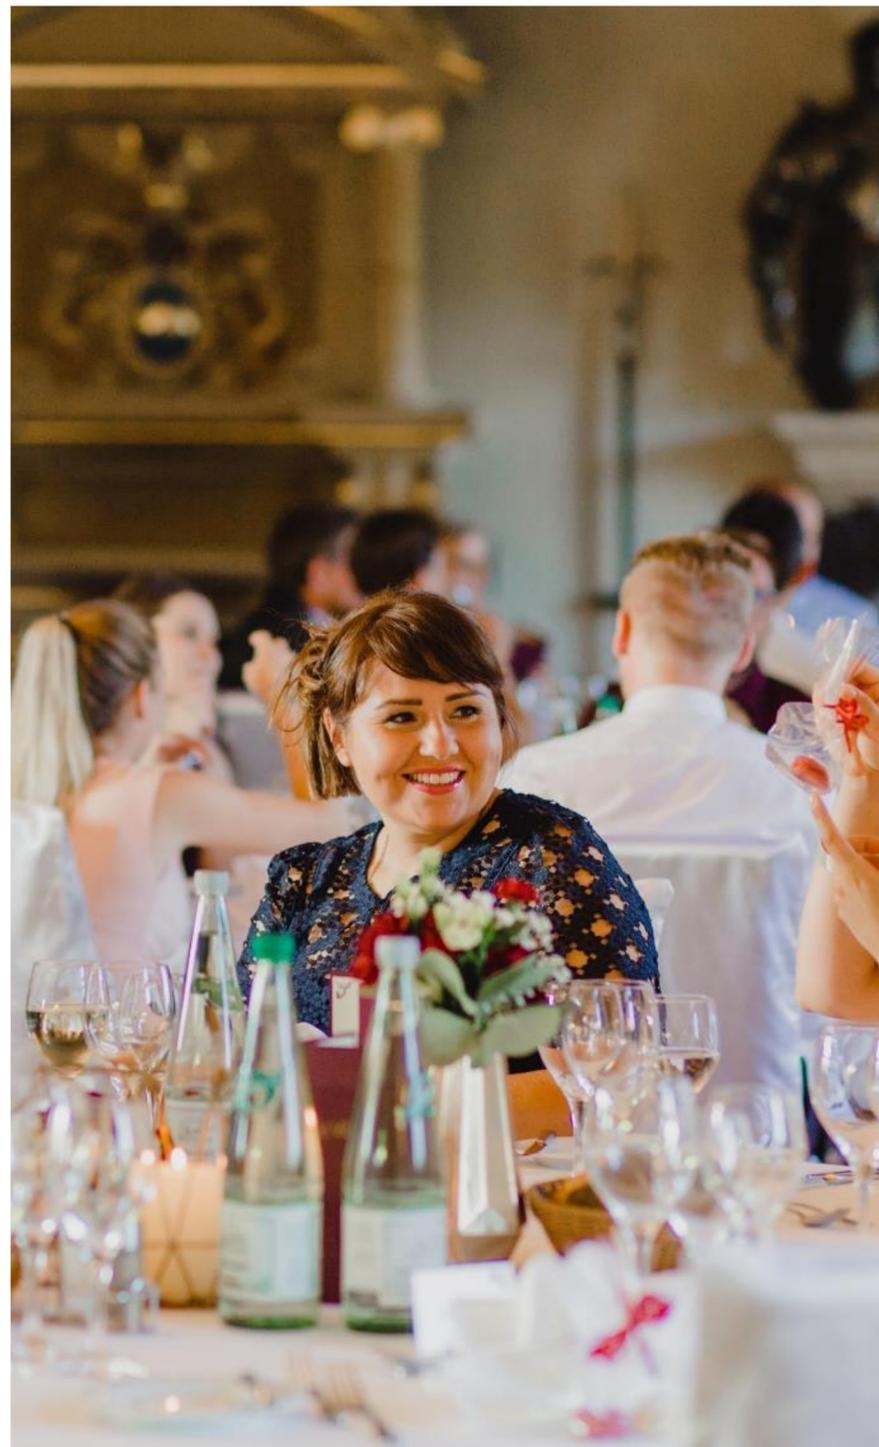

This is entirely up to you, as we believe there is no right or wrong for this question. We make your wishes happen, be it a high class seated menu or a buffet that leaves nothing to be desired.

Dessert

Typically, this is when the newlyweds cut their wedding cake. The cake is complimented by a variety of our dessert creations.

Wine

Choose your favorite wines from our wine list, which offers a wide range of white, rosé and red wines of high-class regional producers as well as from Europe's finest wine regions.

Party

Celebrate until the early morning

After dinner, it's finally party time. Start of with your wedding dance and celebrate your big day with all your loved ones.

Dancefloor

The Renaissance Hall will be where your party takes place as well. It is big enough to incorporate a DJ or even a live band and still has room for the dance floor. Have you ever partied in such a unique setting?

Drinks

Beer, wine or long drinks, our drink packages offer the perfect option for everyone. If you have you very personal favorite drink, of course we can include this as well.

Terrasse with fireplace

Over the course of a party, everyone needs to get some fresh air from time to time. But in our castle, this is a great experience in itself. In front of the open fire, just look up and enjoy how bright the stars are shining here due to the very low level of light pollution in the area.

Wedding's eve

You are very welcome to arrive a day early and to start your celebrations with a nice dinner with those of your guests, who are already there as well.

Dinner

The options are endless. You can choose to enjoy a dinner in our upscale castle restaurant, have a barbecue in the Celtic Village or have a classical Bavarian dinner in our charming tavern.

Visit "Sophie's Cave"

Did you know that there is a cave on our premises? Its name is "Sophie's Cave" and it is the home of countless beautiful stalactites and stalagmites. Many even consider it to be the most beautiful cave of Southern Germany. Equipped with a light show that is supported by atmospheric music, you and your guests will be touched by this beauty that has its origins in a time that is far beyond what we can imagine.
